You may reproduce and use for any purpose  
except the sale of this pattern and instructions

Cut 2 pieces on fold; cut on the fold for gown back;  
use ¼" seams

1. Sew shoulder seams.
2. Hem armholes.
3. Sew side seams.
4. Hem from top of back opening;  
turn and continue,  
hemming the lower edge of the gown;  
turn and continue,  
hemming up other side of back opening.
5. Prepare neck binding and tie:  
Cut a 2" (or 2½") X 20" strip of fabric.  
On wrong side, fold the sides to center and press.

Fold in half again and press

6. Apply neck binding and tie.

Place on fold when cutting ↑
